

State Level Urology Post Graduate Teaching Programme

The Department of Urology, Ramaiah Medical College in association with Karnataka Urology Association conducted a Mock exam for Post graduates on 13/05/2018, 48 Urology post graduates and 15 faculty members all over the country participated in this teaching program which was inaugurated by renowned retired

Professor of KMC Manipal, Dr. Venugopal. The first session started with clinical case discussion, post graduates actively participated with the faculty in this session and the discussion was primarily focused on diagnosis, management and recent advances. Second session was a presentation on Urological instruments by eminent speaker and USI secretary Dr. Ravindra Sabnis followed by a talk on optics in Urology by dynamic speaker Dr. Arabind Panda. Programme ended with quiz competition for post graduates as a part of selection of candidates for the main Quiz competition which is scheduled to be held at SZ-USICON 2018 for travel fellowship. The discussion and structure of programme were well received by the postgraduates and helped them in gaining confidence to face the final exams. They requested to conduct such programs more frequently to help the future exam going postgraduates.
