

## Report- Career Guidance Programme

Date : 17<sup>th</sup> February 2024

Venue : Council Hall, Ramaiah Medical College

Under the aegis of the Career Guidance Cell, a programme was arranged for the interns of the medical faculty at Council Hall, on 17<sup>th</sup> February 2024 at 2pm. Our Principal, Dr Shalini Nooyi, welcomed the audience and introduced the speaker, Dr Belur Prabhakar, who is the Senior Associate Dean for Research and Professor, Department of Microbiology and Immunology, at the University of Illinois, Chicago. He spoke to the students about the various career opportunities available after completion of their MBBS degree, focussing especially on research opportunities, particularly that of University of Illinois Chicago. It was an interactive session, with 45 interns participating. The students showed immense interest in the possibility of research as a career opportunity. Dr Prabhakar patiently answered all their queries, and presented the option of working as research fellows for a chosen number of interns from Ramaiah Medical College. The session was co ordinated by Dr Deena Patil , Department of Dermatology, who also proffered the vote of thanks.

Dr Soumya Ramani,

Member, Career Guidance Cell.

Ramaiah Medical College.
