Programme: Seminar on USMLE and residency options in USA

Date:14/6/23

Venue: Council Hall, Ramaiah Medical College.

KAPLAN and Logiquest in association with the Career Guidance Cell of Ramaiah Medical College, conducted a Seminar on USMLE and Residency Options in USA on 14th June 2023 at Council Hall , Ramaiah Medical College. The session was flagged off by Dr P T Acharya, Chairman, Career Guidance Cell, where he introduced to the students the role of the career guidance cell and the programmes that have been conducted by the Cell. He also welcomed the speaker, Mr Abhishek Bavadhankar, who is a USMLE and residency expert from KAPLAN. This was followed by a succinct and exhaustive seminar on career opportunities in USA for medical graduates, the process and timeline of application, the USMLE examination pattern and tips to build one's CV and make an impact at the interviews for the residency programmes. There was a Q and A session following this, where students had their queries answered expertly by the speaker. The session was well attended by 68 undergraduate students across the various terms of the MBBS programme.
