

3rd National Workshop on ESD & Third Space Endoscopy

3rd National Workshop on ESD & Third Space Endoscopy organised by Department of Gastroenterology, Ramaiah Medical College in collaboration with Pentax Medical Solutions on 15th September 2018 at Ramaiah Medical College Council Hall with National and international faculties. Ramaiah Medical College was officially declared as PENTAX CENTER OF EXCELLENCE during the event.

The PENTAX Center of EXCELLENCE- very few centers across India have this opportunity as a center for referral. We are starting Fellowship in Advanced Endoscopy in the Department of Gastroenterology. The program was directed towards young Gastroenterology physicians who are pursuing their career as a therapeutic endoscopist. We are happy eminent National (3) and International (3) participated in the conference.
