

## **BOS Summit 2019**

*In the BOS Summit 2019, our faculty were active participants. Dr Ananth Bhandary was a chairperson of a session on management of cases in difficult scenarios and had a talk on “How do I manage a case of hard cataract”. Dr Divya Sundaresh presented a talk on “Tips and Tricks in Frontalis Sling Surgery”. Dr Soumya Ramani was a moderator of the paediatric ophthalmology and cortical visual impairment session. She rendered a talk on “Tackling myopia progression” and was a part of the panel discussion on Strabismus. Our second year resident Dr Anju presented a paper on the” Role of helmet in ocular injuries following road traffic accidents involving two wheeler riders”, held on 22nd & 23rd June 2019 at ITC Gardenia Bengaluru,*
