

SPSS workshop 2019

A SPSS workshop was conducted by the Department of Ophthalmology in collaboration with Department of Community medicine and Division of Patents and research. The workshop was conducted over four days on 4th, 8th, 10th and 15th July 2019 at the Ophthalmology department, Ramaiah

Medical college and Hospital. The program was well attended with 24 participants including both postgraduate students and faculty of RMCH. The faculty included Dr. N S Murthy, Prof, and Research Co-ordinator and Dr. Nandakumar from the Division of Patents and Research and Mr. Shivraj and Ms. Radhika from Community Medicine department. The hands-on workshop succeeded in imparting the knowledge of basics of SPSS to all the enthusiastic participants. At the end of the workshop all participants received a completion certificate, which was handed over by Prof. Ananth Bhandary, HOD, Ophthalmology.
