

Workshops on “Self Directed Learning” & “Team-Based Learning”

Workshops on “Self Directed Learning” and “Team-Based Learning” conducted by Dr. Ara Tekian, Ph.D MHPE, Professor of Medical Education, Associate Dean - Office of International Education College of Medicine, University of Illinois, Chicago held on 26th September 2019 in Seminar Hall, Medical Education Unit, Ramaiah Medical College, Bangalore. Self-directed learning and team based learning are both important areas in the new competency based curriculum. The workshop will give a firm base to execute the teaching learning process in the medical colleges.
