

AFMC Report 2020

February brought the warmth of summer ignited by the excitement of the students to participate in a plethora of events at Silhouettes: AFMC 2020 which was held during 19th-22nd February. Little did the students know that this would be one of the best contingents representing Ramaiah Medical College at the fest.

In the cultural arena, the teams performed exceptionally in the golden trio of music, dance and fashion owing to the tremendous practice put forth by the students. At Panache, the fashion show, the team stunningly represented the seven deadly sins caged by the wrath of hell which earned them the 2nd Place among 8 competitive contenders. Our band, In Search of Space, performed a medley of classic rock anthems clubbed with an original Metal composition which won the hearts of the audience and judges alike and won the 2nd place. The dance team put forth an energetic performance which also won the 2nd place. Preethi Jagannath won the 2nd place in Adaptunes with her ever-graceful moves. Anusha Kashyap and Anurag were shortlisted among 70 participants for the finals of Solo-Singing with their melodious performances.

The battle of Literary events was fought by the highest number of participants yet. Sana Sultana, Hrithik Uppalapati and Sruthi Siddada made it to the finals of Just-A-Minute, an event of wit and words. Sana Sultana won the 1st Place. Riya Sara Paul and Sruthi Siddada were tied in 2nd place in the event Turncoat, a debate flipped like the sides of a coin. Shivani S won the first place in the MELA Quiz with her impeccable knowledge of the entertainment sector. Reethi Temker and Azra Shaikh performed their poetry at Slam Poetry.

In the realm of sports, the Basketball team made it to the quarterfinals and showed incredible sportsmanship as they missed the semis by only one basket. Several students also participated in the Badminton tournaments where the team reached the semis in the team category and Sudarshan reached the semis in the Singles category.

We concluded a successful fest with a heart full of memories and gratitude for our Principal and Dean, Dr Medha Y Rao for giving us this wonderful opportunity, our mentors Dr. Cuckoo Aiyappa and Dr Sanjay Desai and our Student in Charge: Dr Babitha for their tremendous support and encouragement.
