

## **Head And Neck Cadaveric Brachytherapy Workshop'**

*hope it will add to their patient care.*

*A two day 'Head and Neck cadaveric brachytherapy workshop' was conducted at ALC by the Department of Radiation oncology under the aegis of Indian Brachytherapy society on 31st January and 1st February 2020. Dr R L Bhalavat from Mumbai was the resource person and twenty one participants had an opportunity to practice the procedure in various sites of head and neck region. The programme was well received and we*
